

Please circle YES or NO for the following questions.  
Feel free to make comments in the margins.

This past March, a group of 22 club members participated in an alternative Spring Break trip in the Dominican Republic, where they served in the clinics as dental assistants and in the classrooms as oral health educators. Is this something you would consider? (Including airfare and amenities provided by the orphanage, the cost was approximately \$1,000.)

**YES or NO**

The idea of a clothing order in which you could purchase Penn State Pre-Dental apparel (t-shirt, polo, etc.) has been mentioned. If we decided to do this, would you be interested?

**YES or NO**

In the past we have taken tours of the dental schools within the region. Usually we leave early Friday morning and return mid-evening Friday night, so we typically miss all of our Friday classes. Would you be interested in going on these trips?

**YES or NO**

If so, please indicate your first choice.

If the group decided to participate in a community service project together, would you be interested?

**YES or NO**

Would you like to help with the PDS THON efforts? (Would you like to receive more information from our THON Chairs?)

**YES or NO**

### **Agreement to Active Membership Policy**

I, \_\_\_\_\_, agree to the active membership policy that states that each member of the Penn State University Pre-Dental Society must attend 2 meetings and 1 event each semester and pay dues to remain an active member.
