*ICERS Booster Club Information*

Through memberships, fundraisers, and events the Icers Booster Club helps meet the purpose to develop, expand, and support the goals of the Penn State Icers hockey program. The Icers Booster Club is an excellent opportunity if you're interested in doing more for Icers Hockey.

With a Booster Club membership, fans receive access at all home games to the Intermission Booster Room, which provides refreshments.

For more information, stop by the booster club's merchandise table at any home games. The club's website is at <http://www.icersboosterclub.org> and includes additional information, downloads, meeting notices, an updated Icers merchandise catalog, and much more.
