FOR IMMEDIATE RELEASE JAEGER SETS RECORD AS ICERS WIN ON SENIOR DAY 4-2

University Park, Pa. – February 19, 2005

Kevin Jaeger became the Icers' all-time leading goal scoring leader with his two goals in No. 2 Penn State's (23-6-3) 4-2 victory over No. 14 Washington & Jefferson (15-13-1) Saturday. He now has 130 for his career, one ahead of the current leader, Lynn Sipe. He also has 263 career points, which gives him sole possession of fifth place on the all-time points list.

Seven Icer seniors (Mike Carrano, Joe Maglaque, Chris Rome, Garrett Divins, Greg Windsor, Jaeger, Eric Harbaugh) were also honored before the last regular season game of their career. The Icers will now prepare for the ACHA National Tournament at Robert Morris College in Illinois, where they head in as the No. 2 seed and will face West Chester in the first round on March 3.

The Icers out-shot the Presidents 13-5 in the first period, but only managed one goal off the stick of Paul Zodtner. In the second, Jaeger scored his first of the game to make it a 2-0 lead, but Washington and Jefferson added two goals in the last minute of the period to tie it up. In the third, Jaeger set the career mark with his second of the game, and Joe Maglaque added one for good measure to make it 4-2 final.

For the game, the Icers out-shot the Presidents, 38-22. Icer goalie Paul Mammola saved 20 of those shots to get the win, while Washington and Jefferson goalie Andrew Torchia had 34 saves in a losing effort. Penn State was 2-for-3 on the power play and Washington and Jefferson was 1-for-4.
