JAEGER NAMED ACHA OCTOBER'S FORWARD-OF-THE-MONTH**

University Park, PA – November 22, 2004

Penn State Icers forward Kevin Jaeger was named the Southern Sports Supply Forward-of-the-Month for October by the ACHA last week.

The senior from Muskegon, MI averaged close to three points a game in October including a hat trick and game winner in OT against previously #1 ranked Ohio University. During the Icers' nine games in October, Jaeger tallied 11 goals and 14 assists for a total of 25 points. Jaeger continues his assault on the Penn State record books and has moved into sole possession of third place on the Icers' all-time goal scoring list with 120, trailing only Lynn Sipe (129) and former teammate Glenn Zuck (124).

Jaeger has also been named to the USA team for the 2005 World University Games, which will take place from January 12-22 in Innsbruck, Austria.
