

Science Lions General Board Meeting Minutes 3-18-2009

1. SHOWS

2. DEMO DEVELOPMENT

3. OFFICER ELECTIONS

1. SHOWS

There are plenty of shows coming up this month! Caity is currently looking for volunteers to help with two Tuesday morning shows- **March 31st** at Juniata Gap Elementary and **April 21st** at Frankstown Elementary. Her plan is to leave State College around 8 a.m. and return around 1:00 p.m. for each show. If you can be of any assistance for either of these shows, please e-mail Caity at ccf5020@psu.edu.

Additionally, many shows still need coordinators! Please e-mail Bonnie for more information at bx1210@psu.edu.

2. DEMO DEVELOPMENT

At a general meeting a few weeks ago, several ideas were discussed in an effort to spend money. One of these ideas was to do some sort of space show. However, the inflatable dome/planetarium we planned to use is \$13,000! It may be more realistic to purchase the device that projects images of the stars, which can be anywhere between \$30 and \$60. The DD team is planning to meet this weekend and is looking for any ideas to spend our money!

3. OFFICER ELECTIONS

Officer elections will take place on Wednesday, April 1st at the next general meeting. The positions are open to anyone! Currently, half of the board is about to graduate, so many positions are vacant. Being a Science Lions officer is a fun experience and looks great on a resume. Board members are expected to attend weekly meetings and fulfill specific duties. If you have any questions or are interested, please e-mail Liz Haggerty @ emh5013@psu.edu
