

Magazine Sale Proposal

USITT will participate in the Time Warner Magazine Sale hosted by the Campus Fundraiser company. The sale will last for 3 days. Before the sale starts each member participating will be asked to respond to a confirmation email. (i.e. I will give your email addresses to my sales rep and he will send out an email to confirm your involvement. IF YOU DO NOT RESPOND to this email you will not be able to participate.) Also, those participating must be willing to put forth the effort for us, as a group, to reach our 3-subscription average which will allow us to double our profit.

So please let me know right now if you will not be involved.

The sale will start on Sunday November 25th. That way everyone can talk to family and friends at home to get a sense of interest. (Don't worry – the program specialist will set up a way for us to sell via online for people who live far away, and they can pay with either a check or credit card).

Profits: \$10 for subscription (most are \$40 and are 2-3 years)
½ profit for the student special - \$25 for 1 year
All profits will go to Behind the Scenes.
