What you find most valuable about being a member in WIB: The career and networking development has been extremely helpful and beneficial. I've learned so much through the corporate events, etiquette dinners, business inferno, etc that have helped me be successful in my internships.

What's one thing you love about Smeal: It's reputation and for being so well respected throughout the country. It's a great feeling knowing I'm a part of that.

Favorite Class: WMNST 001 Intro to Women Studies

Fun Fact: I've been in the West Wing of the White House which is off limits to civilians. My brother works there so we were able to see the Oval Office, the Situation Room, Roosevelt room, and a lot more.

Favorite Quotation: *Be who you are and say what you feel because those who mind don't matter and those who matter don't mind.*
