SAVE THE DATE: December 30, 2015 - 12:45-2:45 PM

PennDOT District 4-0 will be conducting an **OPEN HOUSE** for prospective Summer 2016 **ESTIs**. **ESTIs** are Engineering Scientific Technical Interns. The open house will be held at the PennDOT District 4-0 Office, 55 Keystone Industrial Park Road, Dunmore, PA. Our 2015 interns are asked to bring along a friend who might also qualify for the internship. Former interns who are now permanent employees will be on hand to answer questions. Applications will be accepted at the event.

**Acceptable Majors for Engineering Interns**

Students must be enrolled in a major within the Engineering or Engineering Technology field to be considered for an Engineering Internship position.

Engineering majors include:
- Civil Engineering
- Civil Engineering Systems
- Civil Structural Engineering
- Hydraulic Engineering
- Architectural Engineering
- Any other Engineering discipline with the anticipation of obtaining 24 credits in Civil Engineering or Engineering Technology

Engineering Technology majors include:
- Civil
- Structural
- Architectural
- Contracting Building and Construction
- Electrical
- Electronics
- Engineering Mechanics
- Mechanical
- Majors in career studies with the anticipation of obtaining at least 12 credit hours in drafting, designing, surveying, and other related courses are also acceptable.
Priority will be given to all Civil Engineer and Civil Engineering related majors who have completed, at a minimum, their freshman year. When a pool of Civil Engineering or Civil Engineering related majors is exhausted, the next priority is given to students with the most appropriate technical majors who were successfully employed previously in one of our seasonal or non-seasonal programs.

Please forward this invitation to any prospective Summer 2016 ESTIs, and plan to join them at the open house. Questions can be directed to me by email or telephone.

We look forward to seeing you on December 30!

Ted
